Notification.—The following Extract from a communication received from the Colonial Government of Hong Kong, and the "Proclamation" therein referred to, are published for general information:—

Extract of a letter from the Government of Hong Kong, No. 384, dated the 13th April 1863.

"Understanding that several cargoes of Salt-petre have been shipped from Calcutta for this port, I have the honor to transmit copy of a Proclamation recently issued by His Excellency the Acting Governor, under instructions of the Secretary of State for the Colonies, and published in the *Gazette* of the 28th February last, which was forwarded to your Government on the 11th ultimo.

His Excellency desires me to inform you that the Military Magazines being quite full there is no place in the Colony in which Powder can now be safely stored, and, as it cannot after arrival be exported except under very exceptional circumstances, to enquire whether some means could not be taken by your Government, either by Proclamation, Notification, or otherwise, to warn Ship-pers not to send Gunpowder, or Munitions of War, or articles which may be converted into Munitions of War to this Colony, and to point out to them the risk of inconvenience and even loss that is incurred by Ships arriving in Hong Kong with such cargo on board.

You will observe, however, that articles of food are omitted in the prohibitory Clause."

PROCLAMATION.

No. 24.

W. T. MERCER.

By His Excellency WILLIAM THOMAS MERCER, Esquire, Acting Governor and Commander-in-Chief of the Colony of Hong Kong and its Dependencies, and Vice-Admiral of the same.

Whereas by an Ordinance No. 3 of 1862, intitled "An Ordinance to authorize His Excellency the Governor by Proclamation to prohibit the Exportation of Military Stores and other

Articles" it was enacted that it should be lawful for His Excellency the Governor by and with the Advice of the Executive Council by Proclamation to be published in the *Hong Kong Government Gazette* or in any *Extraordinary Gazette* to prohibit for such period as should be mentioned in such Proclamation either to be exported from the Colony of Hong Kong or to be carried Coastwise within the said Colony Arms, Ammunition, and Gunpowder, Military and Naval Stores, and any Articles which His Excellency might judge capable of being converted into or made useful in increasing the quantity of Military and Naval Stores, Provisions or any sort of Victual which may be used as food by man or any or either of such Arms, Ammunition, Gunpowder, Stores, Goods, or Articles respectively. And in case any such Arms, Ammunition, Gunpowder, Stores, Goods, or Articles which shall have been so prohibited should be exported from the said Colony or should be carried Coastwise or be Waterborne to be so exported or carried they should be forfeited and should vest in Her Majesty and that forthwith thereupon it should be the duty of the Harbour Master of this Colony by Warrant under his Hand upon his own view or upon an information made upon Oath before any Justice of the Peace for the said Colony to cause all such Goods and Articles so thereinbefore declared forfeited to be seized and to detain the same to the use of Her Majesty and to be disposed of as His Excellency the Governor should by order under his Hand and Seal direct;

And whereas it has come to my knowledge that Arms, Military and Naval Stores, and Articles capable of being converted into Stores and comprised in the enumeration of Articles in the said Ordinance have been exported from this Colony;

And whereas I being instructed to put an end to all such exportation from this Colony of Arms, Military and Naval Stores, and Articles have determined with the Advice of the Executive Council of this Colony by this Proclamation to prohibit such exportation and carrying Coastwise in manner by the said Ordinance provided:

Now therefore I, WILLIAM THOMAS MERCER, Esquire, do by and with the Advice of the

Executive Council of this Colony hereby for a period of Twelve Months from the Twenty-eighth day of February 1863, and for such further period as shall from time to time be specified in any Proclamation to be hereafter duly published, prohibit either to be exported from the Colony of Hong Kong or to be carried Coastwise within the said Colony Arms, Ammunition, and Gunpowder, Military and Naval Stores;

And I do with the Advice aforesaid hereby declare that all such proceedings for the suppression of such several acts as are provided by the said Ordinances or by Law shall and may be taken for the suppression of such exportation and carrying Coastwise and for the forfeiture, seizure and detention and disposition of the same Articles and things and the punishment of Offenders against the said Laws.

POLITICAL.

Simla, the 2nd May 1863.

Notification.—In publishing, for general information, the following Despatch from the Secretary of State, the Governor General desires to express the sincere, though melancholy, gratification which he has derived from the perusal of its contents.

The generous and noble character of the late Sir James Outram, his devotion to duty, and his brilliant services, both Civil and Military, won for him the admiration and esteem both of the Government and of the people of India. The Governor General feels assured that, while deploring the loss which the Nation has sustained in his death, the Members of both Services, and the Indian community generally, will appreciate the high tribute which has been paid to his memory by the Government of the Queen.

HIS EXCELLENCY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—Your Lordship will have learnt from the public Papers that death has deprived the Government of India of one of the most distinguished of its servants in the person of Sir James Outram; and you will, I feel assured, have regarded the demise of this gallant Officer with the same strong feelings of regret as I have myself experienced in common with all my colleagues in the Council of India.

2. I have now to communicate to your Excellency that, as a mark of our high appreciation of the eminent services which, on many fields, and in many political and military capacities, Sir James Outram rendered to his country; of the distinguished purity and disinterestedness of his conduct; and of the devotion which he at all times evinced, both to the service of the State and to the advancement of the welfare of the people of

India, we have seen his remains laid in the grave in Westminster Abbey with befitting solemnity and respect, and defrayed the expense of the Funeral from public funds.

3. From the honors thus bestowed by the Government and the reverence paid by all classes of the community to an Officer who, by his own unaided exertions, raised himself to the highest posts under your Government, the Members of the Public Services in India will learn that duty done in that country is not watched less earnestly, or appreciated less cordially, in England for the distance at which it is performed.

I have, &c.,

REPORT OF THE DIRECTORS

OF THE

BENGAL BONDED WAREHOUSE ASSOCIATION

FOR THE HALF-YEAR ENDED 30TH APRIL 1863.

1. Your Directors submit the usual Half-yearly Statement of Account for the approval of Proprietors.

2. The rents collected during the six months ended 30th April 1863 amount to Rupees 82,240-3-0, which about equals the sum realized during the previous half-year; but there has been a gradual clearance of Goods from bond during the last six or eight weeks, and these withdrawals together with a higher assessment since January, have diminished the surplus available for a Dividend.

3. The surplus amounts to Rupees 59,470-4-5, which is nearly equal to 30 Rupees a share—the last declared Dividend; but after reserving Rupees 2,000 for the Repair and Building Fund, and Rupees 1,300 for a bonus to your Establishment, which your Directors recommend, the balance is equal to a Dividend of 28 Rupees per share, free of Income Tax.

4. Mr. D. Cowie and Mr. R. B. Mackay go out by rotation. Mr. Cowie offers himself for re-election; Mr. T. R. Grant is a candidate for the seat in the direction vacated by Mr. J. N. Bullen, proceeded to Europe; and Mr. Steuart Gladstone for that vacated by Mr. R. B. Mackay.

and the superintendence of Police and Conservancy within the limits of Military Cantonments in the Presidency of Fort William in Bengal, and for laying down local Rules and Regulations to be enforced within such limits; It is enacted as follows:—

I. When any person shall be invested with the powers of a Magistrate within the limits of any Military Cantonment who is not the Magistrate of the District in which such Cantonment is situate, such person shall be styled the Cantonment Magistrate, and within the limits of such Cantonment shall, subject to the control of the Magistrate of the District in which such Cantonment is situate, exercise the powers of a Magistrate under the Code of Criminal Procedure as defined in the said Code, for the purpose of disposing of all cases arising within such Cantonment which the Magistrate of a District may dispose of, and for the commitment for trial before the Court of Session of the District or place in which such Cantonment is situate, of any person charged with any offence which a Magistrate is not competent to try, or in which the person charged shall appear to deserve a more

severe sentence than a Magistrate is competent under the said Code of Criminal Procedure to award.

II. The sentences and orders passed by a Cantonment Magistrate under the preceding Section shall be open

to appeal to the Court of Session of the District or place in which such Cantonment is situate, under the Rules contained in the said Code of Criminal Procedure in respect of appeals from sentences and orders passed by the Magistrate of a District.

III. In the Territories not subject to the general Regulations of the Bengal Code, the commitments made by such Cantonment Magistrate shall be made

to such Court as shall in such Territories exercise the powers of a Court of Session as defined in the said Code of Criminal Procedure, and appeals from the sentences or orders of Cantonment Magistrates in such Territories shall lie to such Court. Provided that, if any person be invested

with the powers of a Cantonment Magistrate within the limits of any Cantonment situate in any District or place in which there is no person exercising the powers of a Court of Session, the Governor-General in Council may direct that the commitments made, and the appeals from the sentences and orders passed, by such Cantonment Magistrate shall be heard and determined by the Court of Session nearest to such Cantonment, and such commitments and appeals shall be heard and determined by such Court in the same manner as if the commitments had been made, or the sentences or orders appealed from had been passed, by a Magistrate within the jurisdiction of such Court of Session.

IV. The sentences and orders passed by a Court of Session, or by a Court exercising the powers of a Court of Session under the last preceding Section, shall be open to appeal or reference to, or shall be subject to revision by, the highest Court of Criminal appeal in the Territory or place in which the said Court of Session or Court exercising the powers of a Court of Session is situated.

under the rules contained in the Code of Criminal Procedure, in the same manner as other sentences and orders passed by such Court are open to appeal or reference to, or are subject to revision by, the said highest Court of Criminal Appeal.

V. Act III of 1859 (for conferring Civil jurisdiction in certain cases upon Cantonment Joint Magistrates, and for constituting those Officers *Registers of Deeds*) shall apply to Cantonment Magistrates appointed under this Act in the same manner as if Cantonment Magistrates had been expressly named in all places in the said Act III of 1859, in connection with "Cantonment Joint Magistrates," "Joint Magistrates of any Military Bazar or Station" and "Joint Magistrates."

VI. The Cantonment Magistrate shall, within the limits of the Cantonment to which he is appointed, exercise in subordination to the Inspector-General of Police appointed under Act V of 1861 (for the Regulation of Police) all the powers which are vested by the said Act in a District Superintendent of Police, and shall in all Police proceedings be subject to the general control and direction of the Commanding Officer of such Cantonment, in like manner as the District Superintendent is, under Section IV of the said Act, subject to the general control and direction of the Magistrate of the District.

The Commanding Officer of a Cantonment may send any process requiring service or execution by any means not immediately at his disposal, to the Cantonment Magistrate, for service or execution through the Cantonment Police, and it shall be the duty of the Cantonment Magistrate to serve or execute such process in the same manner as if it had been issued by himself and subject to the same rules.

VIII. It shall be lawful for the local Government to extend the provisions of Act XX of 1858 (to make better provision for the appointment and maintenance of Police *Chowkiedars* in Cities, Towns, Stations, Suburbs, and Buzars, in the Presidency of Fort William in Bengal) to any Military Cantonment subject to such Governments respectively, and when the provisions of the said Act have been so extended to any Military Cantonment, and a Cantonment Magistrate has been appointed in such Cantonment, all the powers vested in a Magistrate by that Act shall be exercised by the Cantonment Magistrate, subject only to the control of the Magistrate of the District and the local Government. If there be no Cantonment Magistrate, the Magistrate of the District shall carry out the provisions of the said Act in the same manner as if such Cantonment formed a part of his ordinary jurisdiction. Provided that it shall be lawful for the local Government to order that the said Military Cantonment be divided into any number of Cantonment divisions, and to determine the nature of the tax to be levied in each such division according to Section X of the said Act. Provided also that the local Government may lay down rules for the guidance of the Cantonment Magistrate or the

Magistrate as aforesaid with regard to the expenditure of the surplus funds described in Section XXXVI of the said Act, and that such funds may be expended for the purpose of carrying out any measures under any of the Rules and Regulations passed under Section X of this Act in addition to the purposes described in the said Section XXXVI of Act XX of 1850.

IX. From the time when a Cantonment Magistrate shall begin to exercise jurisdiction under this Act, Sections II and III Regulation III. 1809 of the Bengal Code (for the support of the Police in the Cantonments and Military Buzars; for defining the powers of the Civil and Military Officers in the performance of that duty; and for fixing the local limits of the said Cantonments and Buzars), so much of Section XII Regulation XX 1810 of the said Code (for subjecting persons attached to the Military Establishments to Martial law in certain cases, and for the better Government of the retainers and dependants of the Army receiving public pay on fixed establishments, and of persons seeking a livelihood by supplying the Troops in Garrison, Cantonment, and Station Military Buzars, or attached to Buzars of Corps), as declares that the persons therein mentioned shall be liable to be tried by a Native Court Martial for the offence stated; and Sections XIII, XIV, XV, XVI, XVII, XVIII, and XXI of the said Regulation shall cease to have any effect in such Cantonment.

X. The local Government shall have power to make Rules and Regulations not inconsistent with the provisions of this Act, or of any other law in force, to provide within the limits of any Military Cantonment for the matters hereinafter mentioned, and from time to time to repeal, alter, or amend such Rules and Regulations. No such Rule or Regulation or any alteration thereof shall have effect until the same shall have been confirmed by the Government of India, and such Rules and Regulations when so confirmed shall be published in the Official Gazette, and a copy thereof in English and in the Vernacular language chiefly in use shall be hung up in some conspicuous part of the Office of the Cantonment Magistrate, or in such other place as the local Government or the Commanding Officer may direct. The Rules and Regulations passed under this Section may provide—

1st.—For regulating, in cases in which the land within the limits of the Cantonment is the property of Government, and the occupation and use of which by private persons is only permissive, the conditions under which such occupation or use shall be allowed, and under which the Government may resume possession of such land, and under which compensation shall be given to persons occupying or using the land so resumed.

2nd.—For maintaining proper registers of property within the limits of the Cantonment, and for providing for the registration of transfers of such property.

3rd.—For regulating the manner in which houses within the limits of the Cantonment shall be available for purchase or hire, when necessary for the accommodation of Military Officers.

4th.—For regulating the management and expenditure of any funds made available by law or by

the Government for the purpose of public improvements within the limits of the Cantonment, or for carrying out any Rules and Regulations passed under this Section and the appointment of the necessary servants and establishments.

5th.—For the definition and prohibition of public nuisances.

6th.—For the maintenance generally of the Cantonment in a proper sanitary condition; for the prevention and cure of disease; for the management and regulation of the public roads, of conservancy and drainage; for the regulation and inspection of public and private necessaries, urinals, cess-pools, drains, and all places in which filth or rubbish is deposited; of slaughter-houses, public markets, houses of ill-fame, burial and burning grounds, and of all offensive or dangerous trades and occupations.

7th.—For the supervision and regulation of public wells, tanks, springs or other sources from which water is or may be made available for public use.

8th.—For the execution and promotion of works of public utility and convenience.

9th.—For the registration of deaths, and for making and recording observations and facts important for the public health and interests.

10th.—For the imposition of penalties on persons convicted of the breach of any Rule or Regulation passed under this Section, and for prescribing the manner in which offences under such Rules and Regulations shall be inquired into or be cognizable by any public servant. Provided that no such penalty shall exceed a fine of fifty Rupees, or imprisonment exceeding eight days.

XI. Offences under any Rule or Regulation passed under Section X of this Act shall be triable by the Cantonment Magistrate, but it shall be competent to the local Government to vest any other Officer with the powers of a Magistrate for the special purpose of disposing of cases that may arise under any such Rule or Regulation, and may authorize such person to exercise such powers independently of the Cantonment Magistrate. The Magistrate of the District shall have no control over the Cantonment Magistrate, or over any other Officer invested with the powers of a Magistrate in respect to any cases arising under any Rule or Regulation passed under Section X of this Act.

XII. In every case in which an offender is sentenced to a fine for any offence against any such Rule or Regulation, the amount may, in case of non-payment, be levied by distress and sale of any moveable property of the offender which may be found within the limits of the Cantonment.

XIII. If no such property sufficient for the imprisonment in payment of the fine can be found, the offender, provided being recoverable as above, is not a European British subject, shall be liable to be imprisoned for any term not exceeding one month.

XIV. If the offender be a European British subject, the amount of the fine and the costs, if any, shall be levied in the manner provided for the execution of Decrees of the Civil Court.

XV. Nothing in this Act, nor in any Rule or Regulation passed under Section X of this Act, shall prevent any person from being prosecuted under any other Regulation or Act for any offence punishable under this Act, or from being liable under any other Regulation or Act to any other or higher penalty or punishment than is provided for such offence by this Act. Provided that no person shall be punished twice for the same offence.

XVI. All Courts and Magistrates shall take judicial notice of all Rules and Regulations passed under Section X of this Act, when the same shall have been confirmed and published as aforesaid.

XVII. Whenever, in any Military Cantonment, Rules and Regulations have been laid down under Section X of this Act, so much of Regulation XX of 1810, and of any other Regulation or Act as may be held to empower the Commanding Officer to make local Regulations regarding matters other than Military, shall cease to have any effect in such Cantonment, and all local Regulations for any Military Cantonment which may have been made before the promulgation of the Rules and Regulations passed under Section X of this Act, shall cease to have any effect. Provided that nothing in this Section shall be held to interfere with any Military authority vested in the said Commanding Officer.

XVIII. Nothing in this Act shall interfere with the jurisdiction of Courts Martial, or of Commanding Officers of Cantonments or of Regiments, Corps, or Detachments under Act XXIX of 1861, (to consolidate and amend the Articles of War for the Government of the Native Officers and Soldiers in Her Majesty's Indian Army) or under Act V of 1863 (to amend the said Act XXIX of 1861), or with the provisions of any Statute for punishing mutiny and desertion of Officers and Soldiers in the service of Her Majesty in the East Indies, and the Cantonment Magistrate shall exercise no jurisdiction in respect of such offences. Provided that when a Cantonment Magistrate or other Officer not being the Commanding Officer shall have been vested by the local Government with power within the limits of any Military Cantonment to dispose of cases under any Rule or Regulation passed under Section X of this Act, it shall not be competent to the Commanding Officer to exercise the powers described in Article 84 of the said Act XXIX of 1861 in respect of any case arising under such Rule or Regulation, when such Rules and Regulations have been passed for such Cantonment under Section X of this Act, and penalties shall have been laid down for their infringement; the said Rules and Regulations shall be held to be the Rules and Regulations mentioned in the said Article 84 of the said Act XXIX of 1861, and so much of the said Article as declares the penalties which may be inflicted for breach of Cantonment Regulations, shall cease from that time to have any effect in such Cantonment.

Proviso. Act not to interfere with jurisdiction of Courts Martial, &c.

XIX. The local Government may appoint any person to be a subordinate Cantonment Magistrate, and may authorize him to exercise within the limits of any Military Cantonment the powers of a subordinate Magistrate of the 1st or 2nd Class, as defined in the Code of Criminal Procedure, and may invest him with power to try any offences against any Rule or Regulation passed under Section X of this Act. Such subordinate Cantonment Magistrate shall be subject to the Rules laid down for subordinate Magistrates in the Code of Criminal Procedure. Provided that when a Cantonment Magistrate has been appointed in any such Cantonment, the Cantonment Magistrate shall exercise, with respect to such subordinate Cantonment Magistrate, all the powers which, under the Code of Criminal Procedure, are exercised by the Magistrate of a District with respect to a subordinate Magistrate, and sentences and orders passed by such subordinate Cantonment Magistrate shall be open to appeal to the Cantonment Magistrate in the same manner in which, under the said Code, appeals may be made to the Magistrate of a District. If there shall be no Cantonment Magistrate, such subordinate Cantonment Magistrate shall be subject to the control of the Magistrate of the District in the same manner as a subordinate Magistrate under the Code of Criminal Procedure. Provided that such subordinate Cantonment Magistrate shall not be subject to the control of the Magistrate of the District in respect to any cases arising under any Rule or Regulation passed under Section X of this Act.

XX. The Commissioner of the Division in which any Military Cantonment may be situated, when such Officer exists, shall have no power to interfere with the exercise in the said Cantonment of any powers exercised by any Officer under the provisions of this Act. Provided that nothing in this Section shall affect the authority exercised by a Commissioner under Act XXI of 1856 (to consolidate and amend the law relating to the Abkaree Revenue in the Presidency of Fort William in Bengal), or under any other law in force for the control and direction of Officers having charge of the Abkaree Revenue.

XXI. All acts done previously to the passing of this Act by Cantonment Joint Magistrates, or by persons acting under their authority or otherwise in any Military Cantonment, in pursuance of an order of Government, or which shall have been or shall be ratified by the Executive Government, are hereby confirmed and made valid; and all such Officers and persons as aforesaid are hereby indemnified and discharged from liability in respect of such acts.

XXII. This Act shall extend only to the Presidency of Fort William in Bengal, but the provisions of the Act may be extended by order of the Governor-General in Council to any place administered by a Chief Commissioner, or Agent to the Governor-General, under the orders of the Supreme Government, or by order of the Lieutenant-Governor of the North-Western Provinces, or of the Lieutenant-Governor of the Punjab, to any part of the Territories under their Governments, respectively,

not within the said Presidency, or by order of the Governor-General in Council to any place in India not within any of the Presidencies of Fort William in Bengal, Fort St. George, or Bombay, or not under the local Governments of those Presidencies, respectively, or of the Lieutenant-Governor of Bengal, the North-Western Provinces, or the Punjab, in which British Troops are cantoned. Every order issued under this Section shall be published in the Official Gazette.

STATEMENT OF OBJECTS AND REASONS.

THE late Lieutenant-Governor of the North-Western Provinces, in a communication dated 10th of January 1862, brought to the notice of the Supreme Government the unsatisfactory condition of the Law respecting the office of Cantonment Joint Magistrate, and with a view to its amendment, made several proposals, the chief of which follow:—

1st. That the appointment of Cantonment Joint Magistrate should be constituted by express authority of Law.

2nd. That the Cantonment Police should be under the Cantonment Joint Magistrate, but that, in respect of Police matters, that Officer should stand in the same relation to the Commanding Officer of the Cantonment in which the District Superintendent of Police is declared by Section IV. Act V of 1861 to stand to the Magistrate of the District:—explained by His Honor to mean, that the Cantonment Joint Magistrate should be subject in all his Police proceedings to the direction and control of the Commanding Officer of the Cantonment, but that he should be departmentally subordinate to the Inspector-General of Police, in the same manner in which the District Superintendent is subordinate to that Officer.

3rd. That the Cantonment Joint Magistrate should, subject to the supervision of the Commanding Officer of the Cantonment, have jurisdiction in petty cases, for the trial of which Regulation XX of 1810 provides through the instrumentality of Courts Martial.

4th. That the Cantonment Joint Magistrate should, in subordination to the Magistrate of the District, hold the preliminary investigation in heinous cases arising within the limits of the Cantonment in which he holds his office, and either commit the accused persons to the Sessions, or, when the alleged offences are within the competency of the Magistrate of the District to try, dispose of the case himself.

The late Mr. Ritchie having been of opinion that some legislation was called for, and that several of the recommendations of the late Lieutenant-Governor might be advantageously adopted, a draft Bill was subsequently prepared by the Hon'ble Mr. Harington, embodying these suggestions, and was submitted to His Excellency the Commander-in-Chief, and to the Government of India in the Military Department. That Bill has since been re-considered with a view to making it applicable to a variety of matters requiring regulation within Military Cantonments, and the present Bill, though embodying many of the provisions of the former one, may be regarded as substantially new.

As now drawn, the Bill substitutes the designation "Cantonment Magistrate" for "Cantonment Joint Magistrate," and by this alteration, certain legal difficulties connected with the manner in which the office has heretofore been constituted and occupied will, it is thought, be got rid of. In its earlier sections, the Bill defines the jurisdiction of the Cantonment Magistrate.

Section I describes the Judicial powers of a Cantonment Magistrate; and Section II gives an appeal from his sentences and orders to the Court of Session of the District or place in which the Cantonment is situated.

Section III is framed to meet the case of Cantonments situated in Non-Regulation Provinces, or places in which there are no persons exercising the powers of a Court of Session; and Section IV provides that sentences and orders passed by a Court of Session, or a Court acting under the last preceding Section, shall be open to appeal or revision.

Section V constitutes Cantonment Magistrates Registers of Deeds; and Section VI provides for their exercising the powers vested in the District Superintendent of Police, under the general direction and control of the Commanding Officer of the Cantonment, in the same manner in which a District Superintendent is ordinarily controlled by the Magistrate of the District. The Commanding Officer is empowered by Section VII to have process served and executed in certain cases through the agency of the Cantonment Magistrate; and Section VIII enables the local Governments to extend to Military Cantonments the provisions of Act XX of 1856.

Sections X to XVII permit the local Government to make Rules on certain subjects which urgently require regulation within Military Cantonments, and they provide the means, and prescribe the manner, of carrying these rules into operation. Considerations of sanitary reform led originally to the preparation of these Sections, but the opportunity has been taken to give the local Government power to regulate other matters on which rules are much needed,—e.g.—the resumption of Government land occupied by individuals, the acquisition of houses for Officers' quarters, and the transfer of property generally.

Section XVIII is intended to save all strictly Military Authority, and to prevent any conflict of jurisdiction between the Commanding Officer and the Cantonment Magistrate; and Section XX prevents the Commissioner of the Division from interfering with the Cantonment Magistrate when exercising his powers under this Act. Section XIX permits the appointment of Subordinate Cantonment Magistrates.

In consequence of the supposed legal difficulties mentioned above, it has been thought desirable to give validity in Section XXI to all past acts of Cantonment Joint Magistrates.

The measure applies primarily to the Presidency of Fort William in Bengal, but may be extended to other Territories by their Governments.
